1

By saying that in the face of Islam the other religions are superseded, what do we understand from this?

“It is He who has sent His Messenger with guidance and the Religion of Truth, to proclaim it over all religion.”

Al Qur’an 9:33

When Allah says, ‘Liyuzhirahoo Alad Deeni Kullihee’, we need to understand what ‘Deen’ is. It means a way of life, religion. Christianity is a Deen, Judaism is a Deen, Hinduism is a Deen, Communism is also a Deen, a materialistic Deen. So, all these Deens, whatever, whether I have named it or not, Allah says Islam will supersede or bulldoze them all. We Muslims believe in it because in the teachings of these religions, you haven’t got the whole truth.

If you read the Christian Bible, Jesus Christ says:

“Nevertheless, I tell you the truth, it is expedient for you that I go away. But if I go not away, the Comforter will not come on to you. But if I go, I will send him.”

Gospel of John 16:7

And the verses following this, he says,

“I have yet many things to say unto you, but you cannot bear them now. Howbeit, when he The Spirit of Truth is come, He will guide you to all truth. For he shall not speak from himself, but what that he shall hear, that shall he speak, and he shall declare unto you the things that are to come, he shall glorify me.”

Gospel of John 16:12,14

He is promising you somebody who is going to come and will guide mankind unto all truth. And we say, Muhammad (pbuh) guided mankind unto all truth. All your problems, he has given you the answers to them. It might not go down well though because we are used to have a certain way of life; we are grooved into a certain type of behaviour.

Jimmy Swaggart, a mighty evangelist, he said there are 55 million drunkards in America, and Christianity has given no solution. The problem of surplus women, there are actually 7.8 million more women than men in the United States alone. If every man in the United States gets married, there will be still 8 million women who can't get husbands for which Christianity has offered no answer.

2000 years have gone now, and you still are waiting for the Holy Ghost to come along and tell you what to do! He hasn't come yet!

In other words as the Jews, Christians too didn't get answers to the problems of mankind. Islam is the only religion which gives the solution to the problems of humanity. Islam is destined to master them all, supersede them all, and correct them all.

When Muslims say, Jews and Christians are forbidden Paradise. But I don't think God, being all Merciful would call to do such a thing, whether they believe in the oneness of God entirely or not. What is your answer to that point?

Anyone who does not believe in the oneness of Allah (swt), Jannah (Paradise) will be forbidden for them.

“Allah forgives not that partners should be set up with Him; but He forgives anything else, to whom He pleases; to set up partners with Allah is to devise a sin Most heinous indeed.”

Al Qur'an 4:48

“They do blaspheme who say: "Allah is Christ the son of Mary." But said Christ: "O Children of Israel! worship Allah, my Lord and your Lord." Whoever joins other gods with Allah,- Allah will forbid him the garden, and the Fire will be his abode. There will for the wrong doers be no one to help.”

Al Qur'an 5:72

Similar to human laws, in every country of the world, if you break minor rules or do other petty crimes, the judge either forgives or reduces your punishment slightly. But the act of treason against the state is unforgivable, no matter how a great philanthropist or a social worker you have been. You shall be put to death or given the harshest punishment possible according to the law of the land.

God Almighty is greater than all of us, He too has put in place rules and conditions, so that humans do not take advantage of his mercy and forgiveness.

What is the secret of learning and spreading knowledge given by the Prophet (pbuh)?

The Prophet (pbuh) gave the secret of learning and spreading knowledge in the following words: "Ballighoo 'Annee Walaw Aayah – Pass on information from me, even if it is only a verse of the Qur'an."

That's the secret of knowledge, you know one verse, you share it, and Allah gives you more. The more you use, the more you get. This is what you owe to yourself and to the Ummah.
